

Unimar International Freight LLC

PAVING THE OCEANS FOR GOODS DELIVERY

About Us

- ▶ Mission & Vision
- ▶ We strive to pave global sea routes in order to fulfill different humanity needs and diverse perspectives in the most professional and efficient manner.

About Us

- ▶ Origin & History
- ▶ Unimar international is a global maritime leading company was founded back in the year of 2008 and started working as a simple chartering and brokerage company in Cairo, Egypt.

About Us

- ▶ Growth & Expansion
- ▶ Through the past decade the company has evolved from being merely a chartering company to become one of the biggest players in the maritime and shipping market through working as:
 - ü Vessels Operating, Management, Sale & Purchase.
 - ü Ship Broker.
 - ü Commodities Trader.

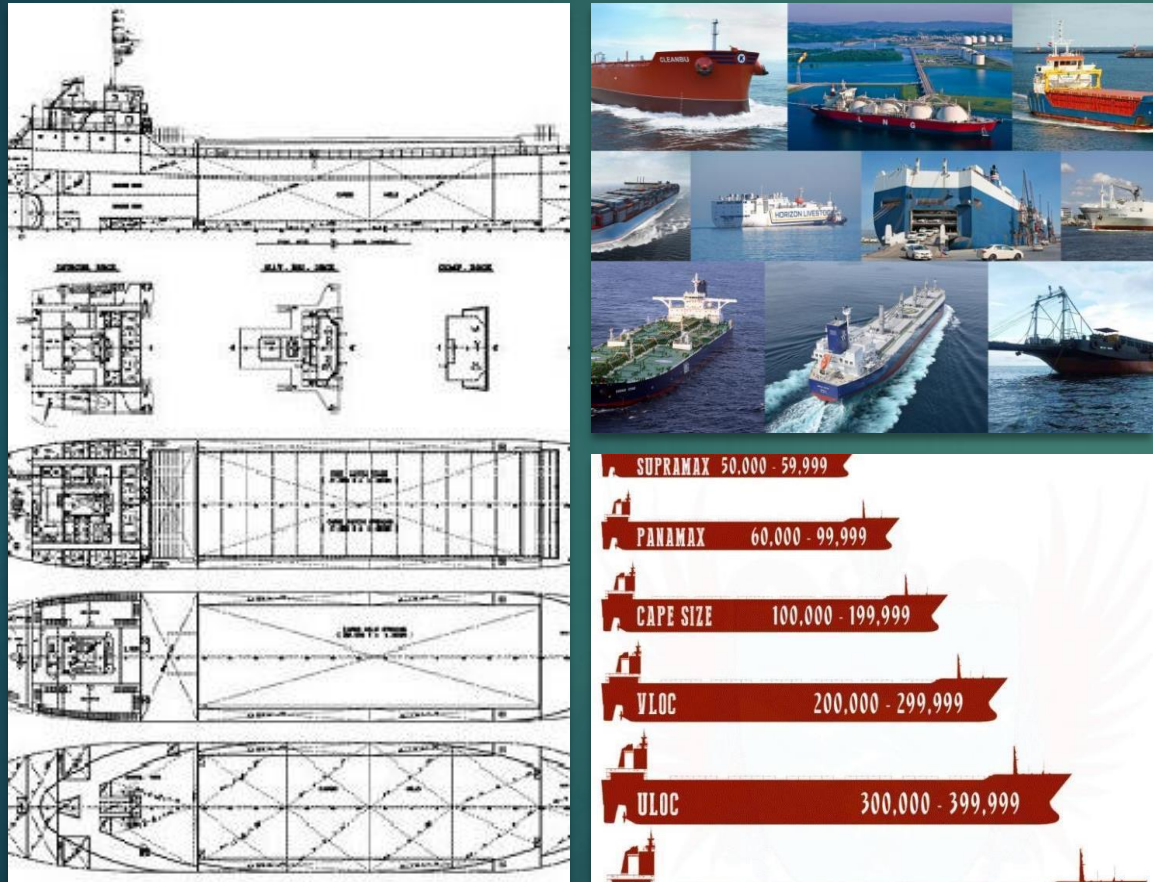

Work Scope & Magnitude

- ▶ In spite of working in wide array of bulk cargo commodities Unimar is mainly specialized in the transportation of fertilizers, ores, grains, ...etc.
- ▶ We are playing a major role in the process of bulk cargo transportation from origins to destinations by collaborating with key market players and industry leaders which grant us an edge over our counterparts.

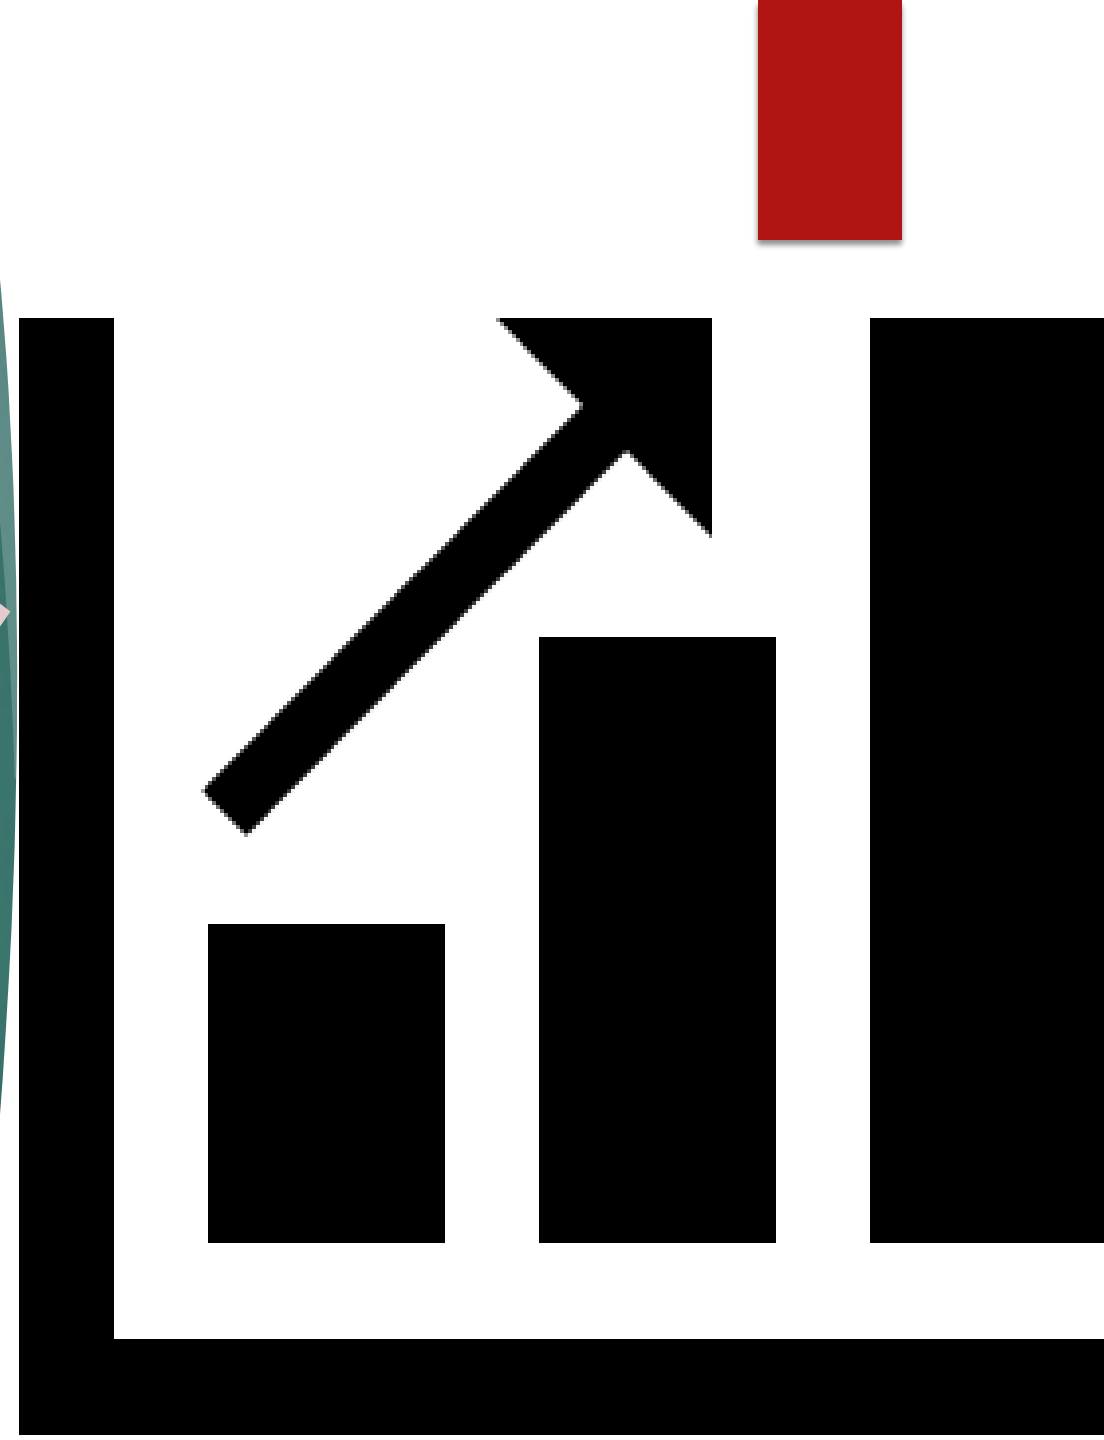

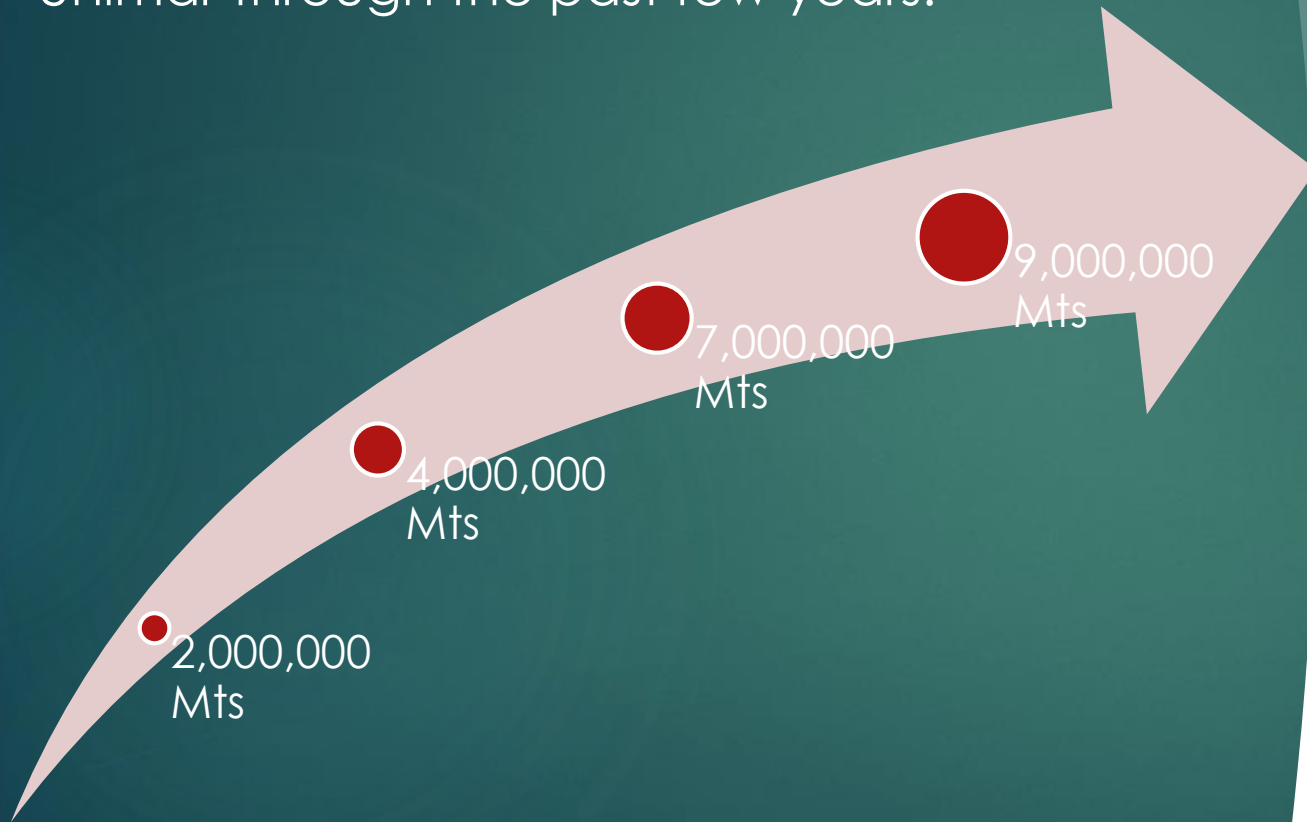

Work Scope & Magnitude

- ▶ Not only have we ensure safe transportation of cargo but also we provide the optimal means of transportation according to the different nature of each cargo in terms of vessel's size, type, draft, LOA and much more.

Core Competency

- ▶ Being a global non-operating asset company Unimar is proudly considering its PEOPLE as the ultimate competitive advantage .
- ▶ The aforementioned ultimate privilege is resulted from the synergy generated by the dedication, devotion and professionalism of the company's professional staff available 24 hours to proactively assist and solve any arising complications.
- ▶ Our wide array of provided services extends far beyond merely fixing a proper vessel to engulf all the post fixture activities, laytime calculations and disputes resolution.

Future Aspirations

- ▶ Unimar is aspiring to become the world top facilitator pioneer in the trading and chartering fields by meeting or even exceeding the expectations of our clients and their clients by turn.
- ▶ We believe that with proper conduct and some prudence chartering could be and will be a win-win situation rather than a win-lose game.

The End

Thank You for Your Time
